

# Major Divine Love Gateway aligning with December 21, 2012 Energies

## Have you been wondering what's really going to happen on December 21, 2012?

Earth is at a choosing point. Come and learn about inter-dimensional races of love, what they are planning, what a gateway is, and how this new and powerful Divine Love entry is bringing new clarity to the changes necessary in the current planetary course. Hear the story of the matrix they will replace, the changes occurring within their own internal structures, and how you can become a part of the change. (For metaphysical audiences)

Maria Lucia Author of *Liberation*,  
*Book One of the Andrusian Chronicles*,

the Choose Love 2012 Campaign.

"Love's Big Picture!"

### Hear about the bigger picture:

- I will be discussing my Book *Liberation* and how it applies to today's world.
- The Divine Mother Project — transcending the current matrix. What will it mean spiritually?
- I will discuss the importance of the inner and outer changes occurring and how to help our souls go through them
- I will be discussing how the changes are affecting the worlds and realms of metaphysics and the birthing of the "new metaphysics"
- I will be discussing the ignition and spiritual preparation of the Divine Mother Project and Divine Love Gateway on December 21, 2012
